

Kevin Guilfoyle attempts a point for Avila.

AVALANCHE STILL ROLLS

Midway through their third year, the Avalanche mens' basketball team is outscoring the opposition, with a winning record of 9-5 as we go to press.

According to Coach Bill Waris, the team is developing well and has surprised everyone, especially long established teams. "Rockhurst was our big win, and we're looking forward to the rematch.

"It's looking good for next year; though we're losing seniors Dennis Joyce and Jeff Gilmore, there's a lot of talent in the junior class, like Jim Salanky and Wayne Simien. They're all doing a super job."

On the squad for 1976-77 are John Dougherty, Kevin Guilfoyle, Bob Hardin, Ken Wyatt, Jeff Gilmore, Steve Babin, Wayne Simien, Rodney Todd, John McManamon, John Shern, Doug Bing, Glyn Bennett, Dennis Joyce and Jim Salanky.

NFSSW STUDENTS TO MEET

Several Avila students will attend the national conference of the National Federation of Student Social Workers to be held February 23-26, 1977, in Phoenix, Arizona, according to Bob Phelps, Avila student and regional coordinator of the N.F.S.S.W.

The regional conference, held at Avila in November, attracted student social workers from four neighboring states.

Immediately following the student meeting, Dr. Charles Shapiro and Elizabeth Norris of the Social Work Department will attend the Council of Social Work Educational Conference also being held in Phoenix.

Translators Hold Workshop

The French Department will host a workshop in the use of foreign languages in international business on February 18, 19 and 20 in O'Rielly Hall.

The seminar is sponsored by the American Translators Association and coordinated by Mrs. Doris Ganser-White of Transimpex, a Kansas City Translating Service.

Alumni Telethon

From January 31 to March 10, volunteers will be calling 3711 alumni to ask for pledges in the annual solicitation drive. Mary Ann Caffrey '75, chairman, announced that drive captains are Geraldine Sulzer '55, Mary Jo Podrebarac '55, Patricia Breed '63, and Chris Herring '78.

This year, alumni are encouraged to concentrate their giving on the alumni conference room in the permanent library. "Our goal," reminds Mary Ann, "is to raise \$25,000 pledged over a 3 year period."

Library Grants Received

Already on the books are two grants for equipment for the permanent Avila College Library. The W. K. Kellogg Foundation has contributed \$8,000 to purchase, install and operate a bibliographic network system. The Parker B. Francis Foundation, named after the founder of the Puritan-Bennett Corporation, has contributed \$25,000 for use in the new library.

In preparation for the library fund-raising dinner on January 30, Sister Olive Louise and Bob Boyle inspected the American Royal Grand Champion Steer steaks to be auctioned. The Boyle Meat Company wrapped and stored the beef cuts, after the steer was purchased by a group of six friends and presented to Avila to benefit the library drive.

O-o-o-oklahoma!

There's a bright golden haze on the Goppert stage when Avila College performs Rodgers' and Hammerstein's musical "Oklahoma!" Winner of a special Pulitzer Prize for Drama, "Oklahoma!" is the story of love and rivalry between farmer and cattleman set in the boisterous pioneer days of the Oklahoma land rush. Most memorable from the show's five-year run on Broadway are songs "Oh, What a Beautiful Morning" and "Surrey With the Fringe On Top."
